

INTAGIO

St Petersburg, Russia

July 2015

Hard to believe that another year is almost over.
We wish you the best Xmas or any other holiday you
celebrate and a very good year to follow.

We wish for INTAGIO to grow and become more known and for our Gathering in
St Petersburg in July to be a successful event whatever successful means to each of us.

When? July 9-12

Where? St Petersburg, Russia

What for? To meet, exchange experiences, develop gestalt in organizations further.

How? Time created in collaboration in order to share, discuss and learn, to part take in the
INTAGIO annual meeting (AGM) and to just be.

The Gathering is for professionals who are working with and in organizations, it's a place for
us to dedicate to all that we might care about and wish to share, express, develop regarding
Gestalt in organizations. Being aware of political controversies around Russian government's
ruling it is important to hold even closer to heart the dialogic stance, while remembering
that INTAGIO's Gathering is clearly an apolitical meeting calling for a professional encounter
between people of different cultures and world views.

The local hosts are working to find an affordable hotel situated near enough the well-known
'must visit' parts of St Petersburg. However troubled, one of the most beautiful cities in the
world.

In January members will be invited to give feedback regarding the co creation of the
Gathering. If you wish to take part in organizing the gathering contact Tali -
